

At AZEK we take great pride in every detail of our products - from aesthetic appeal to performance. Although we don't provide specific fastening recommendations for AZEK Deck under the AZEK brand, we know that fastening is an important aspect of building a dream deck.

There are a number of fastening options that work with AZEK Deck. Which fastener type is right for you?

#### Top Down

- Cost effective
- Available to match AZEK Deck boards
- Installer friendly
- Easily removed if necessary

#### Hidden

- "Fastener free" surface
- Universal for all deck colors
- Installer friendly
- Higher-end look for customers
